Dear Dr. Gulick:

As you know, during the course of its meeting of October 6 - 7, 1989, the Board of Osteopathic Examiners met with you to review the terms of your probation to determine compliance.

The terms of your probation were amended requiring you to undergo a complete physical exam by a board approved internist that would include medication side effects that might affect alertness, metabolic function, sleep apnea and anything else that is indicated by the exam. You may choose either Murray Cohen, D.O. or Robert Ligorsky, D.O. You are also required to undergo a neuropsychological exam with a board approved psychologist with the results of both exams to be released to the Board prior to the January 1990 meeting. You may choose either Michael Warden, or Dennis Fagan to do the neuropsychological training. These exams will be at your expense. Please notify me as soon as you have made your choices. All other terms of your Order remain the same.

You will be notified at a later date of the time and place of your next review before the Board during their meeting of January 5 - 6, 1990. Twenty charts will be selected for review prior to the meeting.

If you have any questions, please feel free to call me.

Sincerely,

Mary L. Tucker
Executive Director
